Where the Challenge is  
the Fun!

# Why Paintball?

- Paintball is an activity that can be played by anyone age 10 and up and all skill levels with no prior training.
- Paintball teaches valuable life skills while providing a challenging and fun environment.
- It tops the list as one of the most effective and most liked team building exercises.
- It has grown dramatically over the past 20 years and is currently played in over 60 countries worldwide.
- Fundraising events get great turn out and raise a lot of money for non profit groups.
- The [Sporting Goods Manufacturers Association](#) estimates that over 5.4 million people played the game in the United States in 2007, with over 1.9 million playing at least 15 times.
- Paintball ranks third in popularity for extreme sport in the United States.

# Is it Safe?..... Yes!

- Paintball is statistically one of the safest sports to participate in, with 0.2 injuries per 1000 players annually, and these injuries tend to be along the lines of tripping, etc. (Wikipedia 2009)
- Santa Clara Paintball's Safety Standards are the highest in the industry.
- Santa Clara Paintball is family oriented and caters to the beginner player.
- Mandatory safety orientations are given to every player every time.
- Staff are carefully trained to look for and enforce all safety rules.
